Dear Mr. Yeagley:

In response to your letter of 28 September 1955, I wish to confirm the fact that approved plans exist for the augmentation of the guard force at [redacted] under the conditions envisaged by Plan "C," and that sufficient weapon strength in the form of ordnance now stored at the site will be available for use by the increased guard force. The plans for these counter-measures were in existence, completed and approved, at the time Mr. Leonard P. Mienvenu, Executive Secretary of ICIS, was advised along these lines.

Sincerely yours,

Signed
